VON BERNSTORFF GETS MAIL BROUGHT BY DEUTSCHLAND

Washington, Nov. 3.—German Ambassador Von Bernstorff spent most of today plowing through 800 pounds of embassy mail brought from Germany on the sub-merchantman Deutschland. Six big pouches were delivered to him last night by Dr. George Ahrens of the embassy staff and First Officer Krapohl of the submarine. As soon as it arrived the ambassador started methodically through it, and he resumed the job early today.

Whether the Deutschland is to carry United States mail on her return trip has not yet been definitely decided, Ambassador Bernstorff said today. He has yet to learn if Capt. Koenig is authorized to carry postal mail this trip and also to communicate with the postoffice department.
